Welcome

How to get the most from this planner

- 1

Pick your habits
Choose 5–10 habits on the next page. Small and specific beats big and vague.
- 2

Set a monthly intention
At the start of each month, write one sentence about how you want to feel.
- 3

Track daily
Fill in a circle each day you complete a habit. Colour the calendar circle when you hit them all.
- 4

Colour your mood
Use the Year in Pixels page to colour each day by mood and spot patterns.
- 5

Reflect monthly
Use the reflection page to celebrate wins and adjust what isn't working.
- 6

Be kind to yourself
Missed a day? Never miss twice. Progress, not perfection.

For personal use only. Please do not share, resell or redistribute this file.
This planner is not medical advice. Talk to a healthcare professional before making major changes to diet, exercise or sleep.
